

English

Writing

We will begin the half term by starting our new unit, 'Egyptology' by Emily Sands. In this unit the children will be building skills to write their own Egyptian Mystery Narrative and a Secret Diary Entry.

Reading

In Shared reading, we will be exploring fiction books such as 'The princess and the Pea',

Science

This term in Science, we will explore Living Things and Their Habitat. We will be looking at classification, vertebrates and invertebrates and the impact that humans have on the environment.

Maths

We will begin the half term by consolidating work on fractions and then we will be starting our new topic 'Geometry'. In this topic we will be looking at prior knowledge such as the properties of 2D and 3D shapes and also exploring Right Angles and Lines of Symmetry. We will begin the half term consolidating our knowledge on Fractions such as halves, quarters and thirds. Then we will explore unit and non-unit fractions as well as looking at fraction of quantities with the support of using a fraction wall. Also, we will be looking at equivalent fractions.

RE & PSHE

Our RE lessons this half term will be People of Faith, we will be exploring the roles and responsibilities of different religious role models.

Computing

Geography

Our Geography work for this half term is to complete our Ancient Greece topic and comparing this to Northwest England.

PE

In PE, the children will be building their skills on tennis such as mastering basic strokes like the forehand, backhand, serve and volley as well as developing essential techniques like footwork, grip and racket control.

Music & DT

In DT, we will be exploring Textiles and we will work towards designing and making our own pencil cases.

In Music, we will be exploring keyboards and singing.
