

## English

This half term, we will be exploring the book 'Egyptology' with the intention of writing an Egyptian mystery narrative, followed by a secret diary entry. Children will utilise the knowledge obtained during last half term's History focus - Ancient Civilisations, to develop

## Science

Plants will be the focus of this half term's Science lessons. Children will develop their understanding of the requirements of plants for life and growth, through rich discussion and experimentation. We will also learn the part that flowers play in the life cycle of flowering plants, including

## Maths

In Mathematics children will continue to learn about capacity and volume including reading scales, comparing and adding and subtracting capacities and volumes. They will then move onto learning about time in which they will learn to read and estimate time (from an analogue clock) with increasing

## Geography

This half term, children will develop their geographical knowledge of the United Kingdom. They will become increasingly familiar with the topography of the constituent countries, know the regions and counties of the UK and will identify similarities and differences between them.

## Art

In art lessons, children will learn to sew! They create a variety of patterns using the running, back and cross stitch. After becoming confident, children will use these stitches to create a bookmark.

## Computing

In computing lessons, children will create a movie.. Using a combination of hardware and software, children will produce a video record and edit audio and video to create a video advertisement

## PE

This half term we are focusing on invasion games. This will enable children to develop skills in sports such as; handball, football, basketball and netball. Whilst developing their stamina and physical fitness children will also look to improve skills

## RE

During R.E. we will be learning all about Sikhism. We will discover the origins of the religion and begin to explore the main values and traditions shared by Sikhs from all around the world.
